

Join Cub Scouts!

Come join us for Wilmette Pack 1's 90th year of Scouting! You may only remember the Pinewood Derby, but Cub Scouts is a year-round program with fun activities which promote character development, build confidence, and provide outdoor experiences. We have an exciting year ahead of hiking, camping, conserving our forest preserves, making and racing Pinewood Derby cars, and performing service projects to help our community. In between we have activities which promote STEM, physical fitness, community engagement, and a sense of achievement as Scouts earn badges for what they do.

All of this year's activities will comply with social distancing guidance. Our activities can be done at home or in small groups, and outdoors whenever possible. Should public health conditions dictate, we will have a full roster of remote programming for you and your Scout.

Scouts are also athletes, actors, singers, dancers, and musicians, and parents often travel for work. We understand this and schedule activities primarily on weekends. No Scout has ever been "cut" for missing an activity.
